Invitation for Bid  
GSA-034-24  
4x4 Sports Utility Police Patrol Vehicles (Latest Model)

**Follow-up Questions and Concerns received from Triple J Enterprises, Inc. on October 11, 2024.**

1. Considering amendment 2 specification requirements the police vehicles will require customization up fit after release from factory production. Therefore we hereby request 240 Days be allowed for delivery time. Obviously, the awarded vendor will deliver as soon as possible, however it's most likely that delivery in 180 days may not be possible for any vendor considering the following. A. current high demand for police vehicles in the U.S. , B. the customization and accessory requirements for Guam, and C. the quantity if units requested.

**Response: 180 days delivery requirement will remain unchanged due to funding availability.**
