Questions and Concerns received from Medpharm on August 24, 2025.

1. Do you require a One (1) Year Warranty on Parts & Service plus another Three Years of Service and Maintenance post warranty? If so, including parts or service/labor only? OR One (1) Year Warranty on Parts & Service plus Two (2) Years Extended Warranty (w/Parts) for a total of Three (3) Years? One (1) Year Warranty on Parts & Service plus Two (2) Years Service and Maintenance (excluding Parts)?

Response: The Guam Customs and Quarantine Agency (CQA) requires a one-year warranty on parts and service, along with an additional three years of service and maintenance after the warranty period for diagnostics, service, and labor only. Parts are not included for the post-three-year period.
