MEMORANDUM

To: Personnel Services Administrator, Human Resources Division

From: Personnel Specialist II, Classification and Pay Branch

Subject: **Creation of Position**

**RE: Truck Enforcement Screening Station Inspector
Truck Enforcement Screening Station Supervisor**

Buenas yan Håfa Adai! This memorandum is respectfully requesting approval to create two (2) new positions and establish class specifications for the abovementioned positions into the classified service. This is based on requests to create the positions by the Department of Public Works (DPW) dated November 29, 2021 and March 2, 2022, respectively.

The Department of Public Works seeks to create these new positions as mandated by Public Law 33-106. The Truck Enforcement Screening Station (TESS) program is responsible for the inspection of commercial motor vehicles prior to entering Guam's roads, streets, or highways. The purpose of establishing these positions are to ensure the safe travels of vehicles on the highways by affirming the vehicles are mechanically sound, the operators are properly licensed, their loads are properly secured, and the weight of their loaded vehicles are within the weight/gross limitations established in P.L. 33-106.

The DPW Director shall have such powers of enforcement, as may be necessary, to implement the TESS program in relation to truck gross weight and the safety and maintenance of Guam's public roads, streets and highways. TESS Inspectors and Supervisors are authorized to stop drivers, inspect and weigh vehicles and issue violations subject to penalties for non-conformance or issue special permits authorizing the operation of vehicles of a size or weight exceeding maximum requirements.

The creation of these positions are vital for the safety, welfare and health of the general public, and the safe transportation of materials on any public road, street or highway; and the enforcement of the Truck Enforcement Screening Station program.

The following is our recommended Hay Evaluation for the proposed positions:

PROPOSED CREATION OF THE TRUCK ENFORCEMENT SCREENING STATION SERIES

POSITION TITLE	KNOW-HOW	PROBLEM SOLVING	ACCOUNTABILITY	TOTAL POINTS	PAY GRADE

Truck Enforcement Screening Station Supervisor	D 1 3 175	D 3 29% 50	D 1 C 57 (A1)	282	K

Upon approval, this proposal will be posted on the DOA website for a period of 10 working days, with a copy of the established specifications to be forwarded to the requesting department to be posted on their website. After the 10-day period has expired, the proposed job specification will be sent to the Director, Department of Administration and the Governor for approval.

Your consideration of the above request is greatly appreciated. Should you have any questions, please do not hesitate to contact our Classification and Pay Branch at 475-1265 or 1123. *Dangkolo na Agradesimiento!*

SUBJECT: Request for Creation of Position, Truck Enforcement Screening Station (TESS) Supervisor

Buenas Yan Hafa Adai!

In reference to Public Law 33-106, which lapsed into law December 2, 2015, finds that Guam's public highways, roads and streets must be protected from undue wear and tear by commercial vehicles that exceeds total weight limits that the highways and roads are designed to carry. Inspection programs have been established to verify weight restrictions and requirements for commercial vehicles prior to entering Guam's public highways. / *Liheslaturan Guåhan* established respective authorities and responsibilities with the Department of Public Works (DPW) and Department of Revenue and Taxation (DRT), to stop, inspect, and weigh commercial vehicles operating on Guam's roads and highways.

As a result of the enactment of Public Law 33-106, DPW is requesting your assistance in creating the Truck Enforcement Screening Station (TESS) Supervisor. The TESS Supervisor is responsible for overseeing the daily operation of TESS Facility and to enforce and issue penalties for violations in excess of permissible limits as established by the provisions of this public law in accordance with Public Law 33-106. Attached for your review and approval are Position Descriptions, Proposed Job Specifications, Division of Highways Organizational Chart and Function Chart for the TESS positions.

Should you have any questions, please contact Ms. Maria G. Duarte, Management Analyst IV, at 671 646-3250 or email: maria.duarte@dpw.guam.gov.
